# Even more proximity Online soon

Dear Partner,

At the start of this new 2022 year, I would like to wish you and yours all the best, starting with Health.

In addition, I would also hereby underline my immense pride in our ability to have stayed connected to each other despite this pandemic now raging for several months thereby preventing us from gathering the way we would like to do.

Notwithstanding this unprecedented context, we have been adapting to new ways of working through new digital means so as to keep building the future together.

So, through this present letter, I would like to share with you some of the major projects we intend to put at your disposal in the next coming months.

These projects are of the utmost importance since beyond the demonstration of our deep consideration towards the work you daily accomplish, we hope they will also permit you to keep supporting your Airbus helicopters brand Ambassadors spirit with which you ensure the Safety of operations as well as Loyalty of our Customers.

So, shortly, in order to support you as an approved Airbus Helicopters network member:

- We will be delighted to exchange with you around a dedicated forum **#NetworkDigitalForum**
- We will strive to re-enforce our presence by your side to further support the spread of your undeniable know-how, expertise thru a customized **#NetworkOnboardingPack**
- We will work out an access to a new platform allowing you to view and download all of our products and services content **#ImIndependent**

Altogether, with the target to always put you in the best possible position when dealing within your market and our product|service range.

*More than ever we remain committed!  
I wish you the best for this new year, and Stay Safe.  
Sincerely yours,  
Michel*
